

RACE COURSE ACCESS INFORMATION

PLEASE READ CAREFULLY

Uphill foot travel is prohibited within the Ski Area 24/7 during the operating season.

Spectators may not walk uphill from the Base Area to race courses.

ALPINE COMPETITIONS

Risks, dangers and hazards exist at any time and at any place on the mountain as well as in and around the competition course. Slick surfaces and icy conditions exist.

Bridger Bowl Inc. does not and cannot guarantee your safety.

Use Caution.

Course Worker Access:

Course workers are to access the course by skis or snowboard only. Foot travel is not permitted, except at the finish area.

Spectator Access:

Accessing the course by skis or snowboard is recommended.

Spectators, who are not skiers, may purchase a single round trip "walking" ticket for Virginia City Lift only, to access Deer Park Chalet for \$10.00. Abuse of this "walking" ticket may result in loss of ticket, removal from the hill and discontinuation of this ticket at future events.

**** If Virginia City lift is not operable, there is no foot travel access to the race course or Deer Park Chalet.**

Spectators **may be** permitted to walk from Deer Park Chalet to the lower portion of the Hanton's Race course depending on snow conditions and location of finish on the hill.

Spectators may travel uphill along a hi-vis fence line adjacent to the race course only. Please stay tight to the fence line as skiers also use this area.

Skiers have the right of way. Use caution.
