Additional Points

U.S. Ski & Snowboard’s Concussion Policy is based on Utah law. Clubs and Organizing Committees operating in states other than Utah may also be subject to state law with different and more stringent provisions. *Verify current state law on your applicable state’s website.*

Jury may remove foreign athletes suspected of sustaining a concussion or TBI from participation in an event’s training, practice or competition. *Foreign athletes may not, however, be placed on U.S. Ski & Snowboard’s Membership Hold.*

REMEMBER: IF IN DOUBT, KEEP THEM OUT!
